The following section outlines our responsibilities and remedies as needed. This section also outlines the rights of MGC Videos and the client in our business relationship.

The following information applies to:

Photography

Videography

1. This agreement constitutes an order for event photography and / or videography services, including taking of photos as agreed by both parties: MGC Videos and Contracting Party (client). Unless otherwise specified, it is understood that any and all rights to proofs, final or sample photo prints, and video tapes thereof shall remain the property of MGC Videos and may be used for advertising, display or any other purpose thought proper by MGC Videos.
2. If photographer or videographer cannot perform this Agreement in whole or in part due to a fire or other casualty, acts of God or nature or terror, or other cause beyond the control of the parties or due to Photographer's or Videographer's illness or injury, then MGC Videos will return all fees (minus booking fee) to the Client(s) but shall have no further liability with respect to this Agreement. This limitation on liability shall also apply in the event that photographic materials are damaged in processing, lost through camera malfunction, lost in the mail, or otherwise lost or damaged without fault on the part of Photographer. Client(s) agree that an entire event cannot be replicated, reenacted or repeated for the purpose of a re-shoot and limits MGC Videos liability to the amount paid under this contract. We recommend insurance from WedSafe. Refunds shall only apply to materials damaged or duties not fulfilled.
3. It is understood and agreed that no other photographer or videographer will be allowed to photograph / videotape or take photos at the event while our Photographer /Videographer are working. This includes the entire length of time that we are contracted to be present at the event. **Guests may not take photos during the ceremony or formal poses.** Guests must remain seated and not interfere with our Photographer / Videographer in anyway.
4. Our services are outlined in this contract and any verbal agreement is null and void. Any addition to this contract must be presented in writing by either party and approved by Client and MGC Videos. All changes and/or additions must be in writing.
5. **PAYMENT FOR SERVICES:** The charges in this agreement are based on the Photographer's Standard Price List. This price list is adjusted periodically and future orders shall be charged at the prices in effect at the time when the order is placed.

No part of any order will be delivered until all fees as outlined in this contract are paid in full (including any overtime charges incurred at the event.)

2 Event rules and Conditions for MGC Videos Contract

In the event that the event is cancelled or postponed, the deposit and all fees paid are non-refundable. If we are notified in writing no later than 30 days prior to the event, the balance of fees due will be exempt from further collection activity. Any fees already paid will be our settlement for cancelling the contract and will be non-refundable. No changes may be made to the contract within 30 days of the event.

The balances of all fees are due 8 days before the event. In the event that balance is not paid by due date, the photographer will not show up at the event. However, the balances of all fees are still due and payable to MGC Videos. All fees paid in advance which is less than the full amounts due will not be refunded for any reason. Any rescheduled date will require a new contract with a non-refundable booking fee and the date must be available for the services of MGC Videos.

A set fee of your total package must be paid a minimum of 2 months before the event to cover photo sessions or other advance work performed. MGC Videos will set this fee at the time of this contract signing.

6. **RELATIONSHIP OF PARTIES:** It is understood by the parties that Photographer is an independent contractor with respect to the client, and not an employee of the client. Client will not provide fringe benefits, including health insurance benefits, paid vacation, or any employee benefit, for the benefit of Photographer.
7. **WORK PRODUCT OWNERSHIP:** Any copyrightable works, ideas, discoveries, inventions, patents, products, or other information (collectively, the "Work Product") developed in whole or in part by MGC Videos in connection with the Services shall be the exclusive property of MGC Videos. MGC Videos reserves the right to use negatives and/or reproductions for advertising, display, publication, or other purposes. All photos, samples, video tapes, and proofs remain the exclusive property of MGC Videos unless waived by amendment to this agreement. The purchase of a Photo disc copyright release constitutes an amendment to this agreement.

NOTICE OF COPYRIGHT: It is ILLEGAL to copy or reproduce our photographs elsewhere unless photo disc is purchased from MGC Videos by Client. It is ILLEGAL to copy or reproduce our DVD productions elsewhere. Violators of this Federal Law will be subject to its civil and criminal penalties.

Our photo disc may be purchased and Client(s) have permission to make unlimited prints of the photos contained on the disc. The copies of the photo prints may not be sold by anyone except MGC Videos. The disc may not be copied for any reason except by MGC Videos.

8. **COURTEOUS PHOTOGRAPHY/VIDEOGRAPHY GUIDELINES:**

In order for us to deliver a professional photo shoot and video shoot that you have paid good money for, we have implemented the following rules. We ask that you inform your guests, family, etc. of these rules. We are not responsible for bad photos or video if your guests do not follow these simple rules of photography etiquette.

- a) We move around a lot and we cannot worry about getting in the way of other cameras or camcorders. We try to be unobtrusive, but there are shots that we have to get.
- b) When we are photographing formal poses – **NOONE** is allowed to take photos unless the photographer at his discretion permits it. If guests do not observe this request, we will stop taking photos. If guests want photos – they may purchase them from us. We have had too many people getting in the photos and trying to be photographers. A digital camera does not make a photographer.
- c) If we are taking photos while roaming (reception, informal service, or any other roaming shots) do not stand opposite our cameras to take your photos. The flashes cancel each other out and cause bad photos. Please stand beside or behind us.

3 Event rules and Conditions for MGC Videos Contract

- d) Do not walk in front of our cameras. There's nothing more frustrating than trying to catch a special moment or special kiss and have someone walk in front of the camera at the time we take the shot.
- e) Keep all children away from our equipment. If a child trips over a tripod and causes a \$5000 camera to crash to the floor, make sure the child has a parent with a large checkbook handy. Please control your children. For a professional production we bring approximately \$40,000 of equipment with us to each wedding.
- f) If the guests of honor are uncomfortable (too hot, too cold, screaming kids, time rushed, sickness, etc.) then the photo shoot or video shoot will be unhappy, depressing and a waste of someone's money. Please bring comfortable clothing, shoes, etc. for the photo shoot. If you need to change clothes for the photos, feel free to do so.
- g) Guests interfering with our photo shoots must be stopped by the hiring party. If they continue to interfere, we have the right to leave without further duties being fulfilled and no refund of monies paid for services. This applies to the entire event.
- h) We are the only contracted photographer or videographer unless otherwise indicated in this contract. No other professional or amateur photographer or videographer will be allowed to participate unless written permission is given by MGC Videos. This includes guests.
- i) Guests are not allowed to take photos during the event ceremony. Only the hired photographer will be allowed to take photos during this time. Guests may purchase copies of photos from the photographer.
- j) PLEASE HAVE THE BEST MAN OR OTHER EVENT PARTICIPANT ANNOUNCE TO THE GUESTS THAT ALL CAMERAS MUST BE PUT AWAY AND NO PHOTOGRAPHY IS PERMITTED.**

9. A Military Wedding requires that the groom/bride wears a military uniform during the service and must be "active" in the military at the time of the wedding. Our donated services for a military wedding are contingent on our availability and the following of the guidelines as outlined in this contract. Our services are not reserved until the booking fee and signed contract have been received by MGC Videos. Our donated services are on a first come basis.

If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

This part of the contract consists of 4 pages and we have read all pages, signed and or initialed each page. Any changes have been initialed by the Client and MGC Videos.
